

RETURNING PICKLES AND PLAY MEMBER ADDENDUM

REACTIVATION OF MEMBERSHIP

Members who have cancelled a membership and choose to rejoin PnP as a member have a few options:

- 1) \$250 initiation fee (instead of the standard \$100) and be a month-to-month member and keep all other membership terms the same. The member can cancel at any time with following the PnP cancellation policy.
- 2) \$100 initiation fee and commit to a 12-month membership. Should the member cancel during this year commitment, the card will be charged the balance amount remaining for that membership. If that card is unable to be processed due to removal from player payment profile, the player will become ineligible to rejoin until all fees are satisfied.
- 3) Pay the \$100 initiation fee and the full upfront yearly 12-month membership and receive the respective membership level pay-in-full discount.
